## Product highlights

### Pre-programmed for Philips

*If you have Philips equipment, you can use your universal remote control without programming it because all keys are pre-set for Philips.*

### 2in1 remote control

*Replace two separate remote controls with one robust unit that'll operate your TV and VCR or DVD, regardless of the brand or model.*

### Splash and shock resistant

*The tough housing can withstand splashes and spilled drinks, and is able to withstand a drop of at least one meter onto a hard floor.*

### Silver design

*Elegant silver finish on the remote control complements today's stylish audio and video equipment.*

### Dedicated menu keys

*Dedicated keys to move easily around your equipment's menus mean simple one finger operation without having to press shift or function shift keys*

### Battery-low indication

*To know in time when the batteries need to be recharged or replaced.*

### Auto brand search

*Getting your new remote control working is simply a case of having your remote automatically search for the most suitable code for your equipment.*
